Dear Sally,

I got your letter yesterday and your note this morning about the rides and I shall see what I can do. We can get you rooms at the Duncan Hotel at $2 per person, three in a room, if you all plan to stay. Keep Trying your hardest on the rides; if impossible we will furnish them.

Please tell me how many definitely want rooms so we can confirm the reservations. Also tell me of your success in securing rides. I'll be expecting to hear from you.

I see you're in Park House, home of the fabulous Miss Nielle - give her my love.

Hope your vacation turns out well

Sincerely,
Jim
